One Voice Wales News Bulletin June 2021

PSOW revised Guidance on Code of conduct as well as guidance notes from Ceredigion County Council explaining the changes since the previous Guidance.

**Planning Application**

The following were discussed following a consultative request from Ceredigion County Council (it is noted that County Councils and not Community Councils that make decisions on planning applications)

Cllr. P. Davies and Cllr. Sh. Evans declared an interest in the planning application A210477 and left the meeting during discussions

A210477 Land Formerly Part Of Caeglas, Llanfihangel Y Creuddyn, Aberystwyth, SY23 3JG

Y Bwriad: *Change of use of agricultural land for siting of 2 log cabins*

Ymateb y Cyngor Bro:

Fel Cyngor Bro Trawscoed does dim gwrthwynebiad mewn egwyddor i'r cais cynllunio ond nid oedd y Cyngor Cymuned yn medru gwneud penderfyniad llawn oherwydd diffyg gwybodaeth yn y cais fel a nodir:

- Mae manylion y fynedfa i'r safle oddi ar y briffordd yn aneglur, nid yw'r cais yn dangos yn glir a oes gwelliant i'w wneud neu beidio, er yr awgrymir yn y cais nad oes bwriad i wneud gwelliant i'r fynedfa. Teimlad y Cyngor Cymuned oedd nad yw'r fynedfa bresennol fel y mae ar hyn o bryd yn addas gan ystyried eu bod yn ymuno gyda ffordd gul, serth gyda chloddiau tal sy'n amharu gyda gwelediad. Pe byddid yn gwneud gwelliant i'r fynedfa tybir y byddai angen torri coeden weddol o fawr sy'n tyfu wrth y fynedfa bresennol. Yn hanesyddol mae rhai damweiniau wedi digwydd ar rhan yma o'r ffordd, un yn ddiweddar ble bu y ffordd ar gau am rai oriau.
- Nid yw mesuriadau sgets y cynllun i weld yn cyfateb i'r hyn sydd wedi'u ddangos ar yr edrychiadau mewn hyd.
- Mae'r llinell goch 'site area' i'w weld yn wahanol ar y cynllun 'site location plan' i hynny sydd ar y 'proposed block plan'.
- Does dim awgrym o lefelau ar y cynlluniau er mwyn cyfleu sut byddai'r cabanau'n cael eu gosod o fewn eu hamgylchedd, yn enwedig gan ystyried bod y tirlun yn codi'n sylweddol ar draws y cae, ac y mae'r safle'n amlwg iawn o'r pentref cyfagos.
- Mae'r ffurflen gais yn cynnig taw ffenestri 'Upvc' sy'n cael eu hystyried - cwestiynir a fyddai rhain yn addas mewn caban pren yng nghanol cefn gwlad?

Proposal: *Change of use of agricultural land for siting of 2 log cabins*

Response of the Community Council:

There are no objections in principle to the planning application from Trawsgoed Community Council, but Councillors felt they were unable to make an informative decision due to a lack of information in the application presented to them as set out in the following points:

- Details of the off-highway access to the site are unclear, the application does not clearly indicate whether there are any improvements to be made to the entrance, although it is suggested in the application that there is no intention to make any improvement. The Community Council felt that the existing entrance as it currently stands is not suitable given that it joins with a narrow, steep road with high hedges that would impair visibility. If any improvements were to be made to the entrance it is assumed that a fairly large tree growing at the location would need to be felled. Historically some accidents have occurred on this part of the road, one recently where the road was closed for a number of hours.
- The measurements of the plan's sketch do not seem to correspond to the appearance of the length shown.
- The red line 'site area' seems to be different on the site location plan to that on the proposed block plan.
- There are no levels on the plans to convey how the cabins would be placed within their environment, particularly given that the land rises significantly across the field, and the site is very prominent from the nearby village.
- The application form proposes that 'Upvc' windows are considered – it is questioned whether these would be suitable in a wooden cabin in the countryside?
